SUMMER

VITALITY

FEED SUPPLEMENT
FOR HORSES AND PONIES
AT PASTURE

EQUI'PASSION VITALITY SUMMER provides energy, quality protein, essential amino acids, minerals, trace elements and vitamins. It covers the needs of your horse or pony at pasture when given in addition to the basic ration (grass and/or hay).

EQUI'PASSION VITALITY SUMMER contains two plant complexes:

- G-MAX, a garlic complex known for its ability to repel insects due to its smell,
- PARA-MAX, containing plant ingredients that help in integrated parasite management.

CALYPAC
PROCEDE
UV PROTECTION

EQUI'PASSION VITALITY
SUMMER features the Calypac
UV protection system, guaranteeing
freshness and long shelf life.
